The association helped 130 families in providing 130 complete Ramadan food baskets worth (1,862,400) one million eight hundred and sixty-two thousand and four hundred Yemeni riyals old currency equivalent to £3250

Treatment of patients

The association provided assistance and care for 30 patients worth (1,765,775) one million seven hundred and sixty-five thousand and seven hundred and seventy-five Yemeni riyals old currency equivalent to £2870

Charity projects

- Thanks to God and the grace of the generous white hands, the association worked in charitable campaigns and directed the families affected by the torrential floods and directed them to private organizations for compensation.
- The association carried out intensive campaigns to collect donations to restore Abdul Qadir Al-Jilani School and we will cover all reports for this work in the business summary for the year 2025.

This is a simple summary of the work we have done for the year 2024 from the generosity of your generous giving and your continuous assistance.

May Allah accept from us and from you good deeds and acts of obedience and may Allah reward you and bless you and your money and children and replace for you from His goodness, generosity and grace.

Thank you to everyone who contributed, gave and gave.

Thank you to everyone who sought and followed.

Thank you to everyone who organized and participated with their time, money and words.

Thank you all.

Morabaah Charity Association.
